Acceptable_Use_Policy (AUP)

Lesson 12:

Task:

Draft a one-liner **Acceptable Use Policy** for our OpenMRS project or your own organization.

Output:

Acceptable Use Policy (AUP) -

- All users are required to utilize IT resources solely for authorized business activities. Personal use of these resources is strictly forbidden.

- It is prohibited to access, store, or transmit any material that is offensive, illegal, or otherwise unauthorized.
